So everyone shot hard and long at the previously dead evil combine alien space liter commender from soace baes who used to be dead but was now headcrab zombee. But he got up eating ice cream and said " I founded the combine ice cream old stand before you used him as fule!" and laughed and laughed at the hummans.

But how that make you invisivle? Asked loudly over gun fire gordan freeman of. BECAUSE OF THIS reeplyed the the previously dead evil combine alien space liter commender from soace baes who used to be dead but was now headcrab zombee who was reeplying. And took out a long buton.

UNPRESS THAT BUTTON! Gordan said to the now splating groups of hummans, as some wanted to hit combine HQ and others wanted to sleep because they were tires. But nobody could do it and gordan was shoted by ballet. Bob sawed from far and taar droped out of his eye and he said "Gordan freeman my frend is hurtâ€¦ I must unpress button. And normal pressing to slow for life."

Bob was so muved that he lifted bundling he was stuuk in. all combines and headcrabs and headcrab zombees and combine headcrab zombees and hummans and people and shooted gordan freeman and ice cream loked and saw the building lufted above bob's head.

He throughed the bhundling so far and long, that it encircled earth, hitted moon, destroyed what was left of combine base, came back down and hitted the buton and unpressed it right on target from space as hopped for.

Everywobn cheared as bob comed up from bundling ruens. Gordan feeman are you ok! He asked. Gordan looked up and said "bob you are hero" smiling litly. Bob looked down and reeplyed "Yes, best friend, I no, but will you live" as liong as I am not shooted again, he sayed, I will be fine.

Gordan got up just in long enough to see the previously dead but now alive and once again dead evil combine alien space liter commender from soace baes who used to be dead but was now headcrab zombee but now was not as headcrab zombee had exploded so he was dead again get up and see headcrab explod from buton being unpressed. When Elevator hit rock bottom, big dropship was there and g-man through out Diablo! Most hummans got scayred and hit BACK UP button on elkevator, but gordan quickly tripped off, as all now save hummans got back to "FLLOR 1" and were tires now. Alone gordan had to face Diablo. Diablo slaped him and blue fire, but gordan took the hits and refused to die. He shooted back with wepon he took off combine, Diablo was briefly destracted by ice cream he heavily inhaled behinde him, but bullets no good against him. Gordan was suddenly started on fire with ice cream brethe, and was soon to die, but soon bob jumped down elevator and kicked Diablo with the anti ice cream kick move.

"Bob, where did you learn to kick like that? Asked gordan freeman in the directon of bob. I watch lots of Cheers AND THEY BOTH LAGHED LONG. But then Diablo died and said "Self destruct seguence, run."

And bob said " If I no jump into moth of Diablo, Eearth die!" "No bob, no!" cryed back gordan freeman.
